

## 2017-18 Independent Verification Instructions

**Background:** Your FAFSA was selected for review in a process called “Verification.” PCA&D is required to compare your FAFSA with requested documents and the attached worksheet. Your financial aid cannot be processed until all requested information is received. Failure to complete the verification process in a timely matter may result in the loss of financial aid eligibility. This review must be conducted under the financial aid program rules (34 CFR, Part 668). Any changes to your FAFSA made necessary by the verification process will be forwarded to federal processors by PCA&D.
