Hello my name is \_\_\_\_\_

My parent applied for a Federal Parent Plus Loan and was denied.

I understand that I am eligible to borrow additional Unsubsidized Direct Student Loan funds.

*Additional Unsubsidized Direct Student Loan maximums*

- Students who have earned 0-59 credits earned can borrow up to an additional \$4,000
- Students who have earned 60 credits and up earned can borrow up to an additional \$5,000

I would like to borrow an additional \$\_\_\_\_\_

I realize that this is additional loan debt that I will have to repay when I begin my Federal Direct Loan repayments.

Thank you,
