

**2019-20 Low Income Verification Worksheet**

The income reported for you and/or your parents on your 2019-2020 Free Application for Federal Student Aid (FAFSA) appears insufficient to support the number of people in your household. Please complete this form to clarify how you and/or parents were able to provide for such needs as housing, food and utility bills during 2017. A number of benefit programs are not reported on the FAFSA, such as SNAP and government housing assistance, Social Security and will not affect your aid; we are just required to verify low income.
