## Career Objective

I want to obtain a job in the Graphic Design field so I can continue to learn and grow as a designer. My goal is to become an irreplaceable part of the team. Becoming an important member to any job and helping in the design process while solving the clients problem in a unique and creative manner.

## Application Proficiency

Illustrator	After Effects	Wordpress
Photoshop	Microsoft Word	Webflow
InDesign	Power Point	Mac / PC
XD	Excel	

## Achievements

### Designathon 2019 - 2020

- Using design skills creating work for non-profits with a 24 hour deadline.
- Lead the group I was apart of in my Junior year and looking forward to doing it again this year as well.
- Helped setup and chose the non-profits participating in 2020.

### Vice President of PCA&D's AIGA Student Group 2019-2020

- Lead bi-weekly AIGA meetings.
- Helped obtain sponsors for our AIGA student group.
- Created a scholarship for underclassmen who are professional, determined to improve in the Graphic Design field and want to participate in AIGA.

### Senior Show & Celebration Finalist 2019

- Illustration and Graphic Design majors were tasked with creating a theme for our Senior Show.
- Was 1 of 9 finalists were I presented my theme to students, faculty and a panel of local Creative Directors in the Lancaster area.

### President of the Graphic Design Club Mercer County Community College 2017

- Ran weekly meetings to brainstorm what trips we wanted to participate in during the year.
- Raised money for trips and local designers to come in to speak with us.

## Work Experience

### EDA Contractors Summer 2019

- Worked as an in house designer creating bi-monthly publications, t-shirt designs, logos, color correcting photos for web / print and kept inventory on shirts for union carpenters and roofers.
- Took headshots and created bios for new hires.
- Made edits and updates to EDA's internal wordpress site and external website for clients.

### Hanover Construction Summer 2018

- Worked as a laborer in an extreme deadline oriented workspace.
- Part of the demolition and build team while working at Peddie Private School.

### Innovative Awards 2014-2017

- Created, printed, and applied vinyl decals for clients. Worked on layout designs for plaques and trophies that were later laser engraved.
- Interacted with clients on designs for products and made deliveries for clients.

## Education

### BFA in Graphic Design Pennsylvania College of Art & Design 2017-2020

### AFA in Advertising and Graphic Design Mercer County Community 2014-2016

### Sypek Technical High School 2012-2014
