# I WAS EXPOSED TO COVID.

## 5 Step COVID Guidance Plan

### GROUP 1

#### Who Are You?

I received the booster shot.

I received both shots of Pfizer, or Moderna in the last 6 months.

I received the Johnson and Johnson shot within the last 2 months.

#### Guidance

- Wear mask around others for 10 days.
- If possible, test 5 days after learning of exposure.
- If you develop symptoms, get tested and stay home.

### GROUP 2

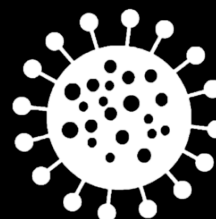

I received the Pfizer or Moderna shot more than 6 months ago, and I am not boosted.

I received the Johnson and Johnson shot more than 2 months ago, and I am not boosted.

I am unvaccinated.

- Stay home for 5 full days.
- Continue to wear mask for 5 more days.
- If unable to quarantine, wear a mask for 10 days around others.
- If possible, test 5 days after learning of exposure.
- If you develop symptoms, get tested and stay home.

### WHAT IF I TEST POSITIVE?

- Stay home for 5 full days.
- If asymptomatic or symptoms resolve after 5 days, you may leave home on day 6. Return to campus permitted.
- Continue to wear mask around others (in public and at home) for 5 additional days.
