Bench Mark Program, which provides fitness training and educational mentoring for at-risk youth, is opening its newly renovated Lancaster facility on Feb. 23 — and they're looking for work by local artists to decorate their walls. All works on display will be made available for purchase, with a portion of the price (you choose the percentage you'll donate) to be donated to the Bench Mark Program.

Space is limited, so the number of pieces which can be accepted will be limited, too. Interested in possibly sharing your work or learning more? Reach out to **Fern Dannis**, at fern.dannis@gmail.com.

Coming soon: HEDS Campus Climate Survey and AICUP First-Year Student Survey

In February, PCA&D will be participating in the HEDS Diversity and Equity Campus Climate Survey. All students and employees will be asked about perceptions of campus climate — with a focus on experience with and institutional support of diversity and equity.

In March, PCA&D's first-year students will be invited to take the AICUP First Year Student Survey. This survey helps the College understand how students have been navigating their first year. It includes sections on the transition from high school to college, the effectiveness of advising and student support services, and perceptions of self and academic performance

Please check your email for more information and survey invitations. **Jason Hartz**, PCA&D's Director of Institutional Research, can answer any questions you may have.
