# Look for HEDS Campus Climate Survey now; AICUP First-Year Student Survey next month

This month, PCA&D is participating in the HEDS Diversity and Equity Campus Climate Survey. All students and employees will be asked about perceptions of campus climate — with a focus on experience with and institutional support of diversity and equity.

In March, PCA&D's first-year students will be invited to take the AICUP First Year Student Survey. This survey helps the College understand how students have been navigating their first year. It includes sections on the transition from high school to college, the effectiveness of advising and student support services, and perceptions of self and academic performance

Please check your email for more information and survey invitations. **Jason Hartz**, PCA&D's Director of Institutional Research, can answer any questions you may have ([jhartz@pcad.edu](mailto:jhartz@pcad.edu)).
