Ampersand Day celebration

Thanks to everyone who braved Friday afternoon's heat to help the College celebrate Ampersand Day!

With our drone photo (thanks to instructor **Rich Johnson!**), our club tables, and our carnival games, it was a great time to get together.

Special thanks also go to the Student Life team and Registrar **Hannah Warner** as well as student helpers **Katie Hess, Nicole Wesoloski, Leona Hatch, Lexy Sills Shueler, Arionna Brewer, Sierra Weidman, Joshua Given, Veronica Baker, Sydney Beard, GG Johnson** and **Kayleigh Nesson**, as well as our special guest peacock (!) and handler **AJ Chase**.

And speaking of the peacock mascot.... see below!

Name our Masot!

Here's your chance to help build some PCA&D history!

Our new mascot was introduced at Friday's Ampersand Day celebration — but it doesn't currently have a name. And a nameless mascot is just... sad.

We need your help in choosing a name — you can find a link of finalists for voting on the college's social media, and [here](#). Voting ends at 5 pm today, Monday, and we'll be announcing the winner soon!

Did you receive your RAVE Alert messages?

Last Tuesday, you should have received an email AND an SMS/text message from RAVE, the PCA&D Alert System. If you received only the email and no corresponding SMS/text message, please verify your settings in the PCA&D Alert System: <https://getrave.com/login/pcad>.

College creative projects in the classroom

Faculty, if you would be open to having College creative projects be part of your classroom assignments (think New Year's greeting cards from the College, Admissions welcome boxes for deposited students, etc.), please reach out to communications@pcad.edu for more information. We'd love to work with you!

Transportation/pedestrian safety survey

Your input is sought for a survey on transportation corridors in Lancaster City that leave pedestrians and cyclists especially vulnerable. Several of them are in close proximity to the College — including North Prince Street directly in front of our campus — and your comments could be helpful in finding possible solutions. You can find the survey at the link below.

To complete the survey, [click here](#) or below. Zoom in on Lancaster on the map until you find a series of streets from Lemon down to King, along Prince, highlighted in red. Each is a "corridor". Click on a red line, and a box pops up with a link to "Submit Corridor Feedback." The College is especially concerned with our Prince/Chestnut intersection; low visibility around Water Street intersections; and the need for mid-block crosswalks. Thanks so much for your input and comments to hopefully make all of us — faculty, staff, and students — safer.

Call for Public Art: Lancaster Amtrak station

The City of Lancaster's Office of Public Art is inviting artists to create site-specific work to be displayed in two glass cases at the Lancaster Amtrak Train Station concourse. It's the second-busiest Amtrak station in the state, and the cases serve as a mode for celebrating local artists and arts organizations. Artwork must be original; subject matter and material are the artist's choice. Artists may apply as individuals or as groups, and finalists will be selected by a committee using a set of standardized criteria. Selected finalists will be interviewed by the Program Manager via a recorded remote meeting. The Public Art Advisory Board will make the ultimate selection of four artists/artist groups. The honorarium is \$750 per artist or artist group.

For specific timelines, eligibility considerations, specs, submission requirements, and other details, click the link below. Proposals must be submitted on or before Sunday, Sept. 24.

Risolve Studio creating limited edition prints

Risolve Studio Artist Collection is a curated series of limited-edition risograph prints and, for the first time, Lancaster-based Risolve is opening submissions to the public. Five U.S.-based artists will be chosen from submissions received through Sept. 29. You may submit up to three 11x14" print designs to be considered: They don't have to be print-ready but should be submitted with risograph printing in mind as the final result.

For a full explanation of the process, including prints, profit, rights, etc., as well as a link to FAQs and to submit your work, visit risolvestudio.com and click on "Artist Collection Submission".

Call for Artists: Philadelphia public works project

The Office of Arts, Culture, and the Creative Economy and the City of Philadelphia announce a competition to commission site-specific public artwork to be installed at the Broad, Germantown, and Erie (BGE) intersection. This is part of a large construction project that will transform that intersection in the Nicetown/Tioga neighborhood of North Philly. There will be several opportunities for two- and three-dimensional artworks, and the deadline to apply is Sept. 21.
