## The Great Return & Trick or Treating

Director of Exhibitions Alex Schaufele is hosting The Great Return on Wednesday

in the Atrium. Students who've left behind artwork from previous exhibitions will be asked to come get their work before it goes into the depths of storage.

Student Life is supporting this event by asking students to wear a part of or all of their Halloween costume to school. (Faculty and staff are also encouraged to dress up for the occasion!)

If you'd like to invite costumed students to trick-or-treat at your office, let Student Life know by **today** that you've purchased candy and want students to stop by. To participate, please complete the form below.

Please take my candy!

## Faculty Needs Assessment Survey

Dr. Adam Smith, the new Director of the Center for Teaching and Learning, invites all faculty to complete a survey of interests related to teaching and learning, with the goal of getting a clear snapshot of the needs and wants for professional development in teaching. Your responses will inform choices related to programs and resources.

In addition to this survey, please feel free to reach out via email ([asmith@pcad.edu](mailto:asmith@pcad.edu)) if you want to discuss any questions and/or suggestions you have regarding professional development for teaching at PCA&D.

This survey should take 10 - 15 minutes to fill out, and it will cover topics such as preferred modalities/topics for potential programming as well as free response questions for you to give more specific suggestions. Your feedback is appreciated.

# Hear of gig work, part-time or full-time jobs for students? Let Career Services know

Last year our Student Portal Job Boards were filled with opportunities for our students ranging from gig work to part-time, and even some full-time jobs.

This year the number of inquiries that Career Services has received has dwindled and there is a high demand for work opportunities among our student body in both the creative and non-creative sectors.

If you hear any great opportunities please pass them along to the Career Services Team at [CareerServices@pcad.edu](mailto:CareerServices@pcad.edu) so we can connect our students to employment opportunities.
