CORE Gallery highlights work by Elizabeth Gregory

Through April 12, stop by the Mezzanine-level CORE Gallery (next to the elevators) to see *Show and Tell*, work by **Elizabeth Gregory '25**, Fine Art. The exhibition was curated by **Kayla Smith '24**, Fine Art. Gregory's artist statement, in part:

My body of work utilizes a patchwork of memories to crate eccentric narratives for viewers to interpret. Playing around with vibrant colors mixed with bizarre compositions and subjects gives the illusion that they are collaged with one another. The color palette I lean towards; the off-kilter lime green, holds major significance in my life. This was the color of my childhood bedroom for years, and just about everything that belonged to me was tagged with that lime green. The neon chokehold that kids who grew up in the early 2000s all had to experience defined a generation that I just fell victim to.

Seeking input: Check out the Co-Curricular Planning Committee's Mind Maps

Have you noticed the Mind Maps in the Water Street entrance, CoLab, and Learning Commons? They're a project of the College's Co-Curricular Planning Committee, which

is searching for your input.

The committee -- Chair Prof. **Holly Mosher** and members Prof. **Maria Hostetter**, Prof. **Michelle Fogel**, Prof. **Aaron Thompson**, Student Engagement Coordinator **CJ Crossett**, Assistant Dean of Academic Affairs **Justin Phillips**, and Assistant Director of CCE **Salina Almanzar-Oree** -- is charged with supporting and overseeing the development, approval, and assessment of co-curricular learning programs (think activities, programs, and learning experiences that connect in some way to what you are learning in the classroom) to ensure their rigor, coherence, and consistency in regard to higher education expectations. The Mind Maps are posted so the entire College community -- students, faculty, and staff -- can share our suggestions:

How might we reimagine or redesign learning for our community?

What can we add to our current educational offerings/opportunities?

What topics/ideas/things would we want to learn about?

How might we define co-curricular activities at PCA&D?

What might we consider providing as certificates/badges/other kinds of achievements for students? Why?

Materials are provided next to the Mind Maps so you can easily share your thoughts!

Things to do BEFORE registering for Fall 2024

Students, even though it's still a couple weeks away, be prepared for Fall 2024 class registration on March 27-29! **Remember that you may not register for classes if you do not first have a zero tuition balance or a payment plan in place.** How do you sign up for a payment plan?

1. Before you sign up, ensure that your scholarships, grants, and loans are correct in the financial aid section of your tuition statement. This can be found in the [Student Portal](#).
2. The College offers two payment plans that allow you to divide the balance due into equal payments over the course of the semester if you are unable to pay your tuition in full. The payment plan enrollment form can be found in your MyPCAD account under the Finances Tab.
3. The fee for the 3-month plan is \$25 per semester, and the fee for the 5-month plan is \$30 per semester.
4. Complete the enrollment form, pay the plan fee, and make your first payment when delivering your payment plan form.
5. The completed Monthly Pay Plan form can be scanned and emailed to bursar@pcad.edu or dropped off at the bursar's office on the 2nd floor of campus.

And remember: If you're a dependent student, a parent can apply for the Federal Direct PLUS Loan at studentaid.gov. If approved, the parent can borrow up to the remaining balance. If the loan is denied for credit reasons, you may borrow up to an additional \$2,000 (for freshmen and sophomores) or \$2,500 (for juniors and seniors) per semester through the Unsubsidized Federal Direct Student Loan.

Students also can apply for private education loans. Although the school does not endorse nor restrict any specific lenders, a list of lenders that our students have used in the past can be found here: <https://pcad.edu/admissions/financial-aid/alternative-and-private-loan-options/> Private loans usually require a cosigner.

Questions about your financial aid? Reach out to **Vincent Frank**, Director of Financial Aid & Student Employment, at financialaid@pcad.edu. Questions about your balance or your payment plan? Email Bursar **Eliud Diaz** at bursar@pcad.edu.
