Summary: I'm an illustrator who has skills in various mediums like digital, painting, sculpture, coding, and more. I've had multiple opportunities to work behind the scenes at vendors and art galleries, learning a lot on teamwork and organization. I am interested in work that allows me to do in depth research, concept work, and communicating with a team.

Work Experience

Artscape, *Mica* — Vending
July 2018
Worked with MICA to help vend and maintain a booth at artscape, an event for all ages.

Best of Maryland Art Festival, *Walters' Art Museum* — Showcasing Artwork
April 2019
Various young artists showcased their artwork inside Walters' Art Museum.

Design Fest, *Mica* — Designer
2018
An event where designers teamed up to come up with a design for their assigned company.

Winter and Spring Coffeehouse, *Baltimore Design School* — Vendor & Organizer
2018–2019
An event where students sell art pieces and perform music/poetry.

Zine Club+, *Baltimore Design School* — CEO
October 2019–2020
A club where people not only learn to sell zines, but also how to sell their products in general and run a business. We participate in various conventions.

PCAD Fall Art Market — Vendor
Fall 2023
An event where I sold homemade stickers, clay pins, and clay keychains.
