Audry K. Carter appointed interim President of PCA&D

The Board of Trustees is pleased to announce the appointment of interim President **Audry K. Carter**. Ms. Carter will serve as the College's leader throughout the search for a new College President. Ms. Carter has served on the Board of Trustees for nearly nine years, three of them as Chairperson.

Board Chair **Russell D. Urban** noted that Ms. Carter "is the perfect candidate. She has the ability to transition seamlessly into this role, given her extensive knowledge of the

College.

She looks forward to meeting you at events like the All-School Picnic, Commencement, and the Senior Show.

Ms. Carter has served in non-profit leadership for more than 40 years, the majority of which was spent in higher education in philanthropy and public relations at institutions such as Boston University and Ohio Wesleyan University. Her active consulting practice, AQuire LLC, focuses on enhancing the efficiency and effectiveness of nonprofit organizations. She holds a BSFS degree in Foreign Service from Georgetown University and a nonprofit-focused MBA from Boston University.

Ms. Carter has stepped away from her role as a Trustee during this time while the College begins a national search for a new president. She will take on the day-to-day leadership responsibilities for the College until a new president is identified and hired. She will be on campus several days a week as she works closely with members of the Executive Cabinet to continue strengthening and expanding the College's key initiatives.

She noted, “my heart really is with PCA&D, which is what compelled me to say yes.”

From April through July 29, community partners, PCA&D students and faculty, and Lancaster community members are invited to join a workshop, an event, or visit partner curio. Gallery & Creative Supply on West Chestnut Street to pick up a 6-inch-by-6-inch canvas panel to create their response to the prompt.
