Objective: My objective is to become a showrunner and to create my own animated project centered on my original characters. I have started my journey to achieve my objective by attending art college and learning how to better draw my original characters, while also learning to create and develop a story based on characters that I have created. The things I have accomplished to achieve my objective are listed below.

Education

Pennsylvania College Of Art And Design

- Major: B.A in Design Thinking Expected to graduate May 2024
