PCA&D SENIOR EXHIBITION 2024

June 21 - July 19

Coming to the Main Gallery: *Senior Exhibition*

PCA&D is proud to present *Senior Exhibition*, a selection of work by the Class of 2024, in its Main Gallery, opening Friday through July 19. The show features a sampling of the thesis work in illustration, painting, animation, game art, photography, video, sculpture, graphic design, and design thinking, created by our most recent alumni. This is an exciting opportunity for those who missed the annual weekend *Senior Show* event in early May to continue to celebrate PCA&D's graduates through a condensed version of that large-scale exhibition.

CCE & Exhibitions partner on Amtrak display case art project; here's how to participate

PCA&D's Exhibitions Department and Center for Creative Exploration have teamed up with support from the City of Lancaster Office of Public Art to host an opportunity for the Lancaster community to showcase their visual response to the prompt "Creativity is..." in an exhibition that will be installed at the Lancaster Amtrak station in two of the public art cases from Aug. 9 through Nov. 14. The hope is to engage Amtrak station visitors and travelers through this collaborative installation that will involve the creation of artwork.

Now through July 29, community partners, PCA&D students and faculty, and Lancaster community members are invited to join a workshop, an event, or visit partner curio. Gallery & Creative Supply on West Chestnut Street to pick up a 6-inch-by-6-inch canvas panel to create their response to the prompt. Names of artists will be included on signage in the station cases.
