## How we share news with your student

We encourage you to ask your student if they are checking their email and the College's social media accounts to stay updated:

- The [College Instagram account at @pcad\\_edu](#) shares announcements and reminders.
- The [College Facebook account](#) does the same.
- Early each Monday morning, year-round, *This Week at PCA&D* lands in your student's College email Inbox. This newsletter brings students up to date on what will be going on around campus and Lancaster that coming week. Gallery events, speakers, clubs, and more are all here.
- Every Friday, our *Student Opportunities* newsletter goes out via College email. This newsletter contains art-related internship, job, and volunteer opportunities both on campus and off.

PCA&D uses a mix of all of these resources to keep our whole campus community up to date. And, of course, there's this monthly newsletter aimed at families, which joins monthly communications to alumni and our community of supporters.

## How to access your Parent Portal
