Faculty Life grants are open for Spring 2025

Two types of Faculty Life grants have now been opened for Spring 2025 applications. The two types are explained below, and **the application deadline for both grants is Monday, March 31**. All PCA&D faculty are eligible to apply for these grants: adjunct, part-time, full-time, and CCE faculty.

Educators Professional Development Grant: Link to guidelines, more information, and to apply [here](#). Examples of this include, but are not limited to, curriculum development, pedagogy, conference attendance/participation, workshops, and anything relating to educational skill development.

Research & Practice Professional Development Grant: Link to guidelines, more information, and to apply [here](#). Examples of professional development supported by this grant include, but are not limited to, conference attendance, conference participation, research, travel, residency, and publishing.

Those receiving professional development funds will report back and present on the experience and outcomes of their faculty development activities. The scope and nature of this presentation will reflect the activity funded.

Sign up by today: Helping hands for CCE event

On Friday, March 14, from 9 am to noon the PCA&D Center for Creative Exploration -- with lots of support from Admissions, Exhibitions, and Student Life-- is once again hosting 5th-graders from Fulton Elementary School on our campus. We will be helping them explore creative careers and get a peek into how many creatives are involved with things they love and interact with every day!

We will be taking students through a hands-on, immersive experience of making while they get to know PCA&D. We are always looking for energetic volunteers who wish to help them with projects in sculpting, drawing, photography, and writing. You don't need a ton of experience but you do need to be ready to have a lot of fun! Interested?

The 2025 PCA&D

FACULTY BIENNIAL

**January 13 - March 1, 2025
Free & Open to the Public**

Faculty Biennial featured in the Main Gallery

Be sure to stop by the Main Gallery to check out the 2025 PCA&D Faculty Biennial. Featuring the work of 36 of the College's faculty, the Biennial is a traditional celebration of the artistic practices and talents of instructors in our PCA&D community.

Now in the CORE Gallery: BLAC exhibition

Where is Everyone?, an exhibition by members of PCA&D's Black Led Artist Coalition, or BLAC, is now on display in the Mezzanine-level CORE Gallery. The theme of this show showcases the artist's personality or representation of themselves through art -- hence, showcasing where they are as an individual.

Judges needed for MADCom creative contest

Help inspire and support the next generation of design and media professionals by helping to judge MADCom, the Media and Design Competition. This virtual judging opportunity takes place during the week of March 31-April 4, and is part of the Center for Creative Exploration's partnership with our Intermediate Unit (Lancaster-Lebanon IU13). Each year, IU13's Educational Technology team hosts the regional MADCom, open to middle and high school students, in six categories: **2D Design, Animation, Digital Movie, Logo and Graphic Design, Programming, and Web Page Design**. Winners in each category advance to the state competition, held in May at Elizabethtown College.

Here's how the process works:

- Project Submission: Students will submit their projects to an online dashboard by March 25
- Virtual Judging: Judging will take place virtually during the week of March 31–April 4
- Student Showcase (Optional to Attend): On April 8, from 9–11 am, they are hosting a Student Showcase at the IU Training & Conference Center (located at 1020 New Holland Ave.). Judges are welcome to attend to interact with students and view their projects up close.

If interested, or if you need more information, reach out to CCE Executive Director **Natalie Lascek** at nlascek@pcad.edu.

Hanging student artwork? Let us know!

We love to celebrate everyone's creativity on campus -- and we want to make sure everyone has a chance to see new work that's being hung on our walls, too! The next time you're putting student work on display -- from a full-blown exhibition to work from a class assignment -- please reach out to communications@pcad.edu so we can share the exhibition campus-wide. Thanks!

Help fill our Student Portal Job Boards with opportunities for our students and alumni. They can range from gig work to part-time, and even some full-time jobs.

There is a high demand for work opportunities among our student body in both the creative and non-creative sectors.

If you hear any great opportunities please pass them along to the Career Services Team at CareerServices@pcad.edu so we can connect our students to employment opportunities.
