Circles
for
Community Building

Find out what you and your community think about important topics, build connections, and develop capacities to engage in difficult conversations.

Wednesdays 3:30PM RM 309

Facilitated by Dana Jain, Student Success Advisor, and open to the entire PCA&D community. A different topic and special guests with informed perspectives on the topic each week. Tea and a light snack will be served.

Community Circles this week: Money matters

Money can be complicated -- but it doesn't have to be colorless. In this week's Circle for Community Building, we'll explore our financial lives through a creative lens. What are the shades and tones of your relationship with money? How does it impact your art, your stress, your sense of possibility? **Join Circles Wednesday, from 3:30-4:30 pm, in Room 309** for an open, supportive conversation where we'll share stories, swap ideas, and begin painting a more empowered picture of financial wellness as artists and designers. Hosted by Student Affairs and facilitated by **Dana Jain**, Student Success Advisor, with special guest **Maria Provencher**, Assistant Dean of Career Development & Internships. Tea and a light snack will be served.

After this week, there will be one more Circles session this semester:

April 23: *Community Matters with special guests to be announced*

Open in Hayden Gallery Touchstone show

The Touchstone Foundation Show now is hanging in the Hayden Gallery, next to the Atrium. Artwork is the product of a class run by **Jason Ward** for a coloring book to celebrate the 25th anniversary of The Touchstone Foundation, an organization that works to expand access to local youth mental health resources in Lancaster County. The exhibition will be open on First Fridays through May, and when the room isn't in use for a class or meeting.

Students whose work is represented in the exhibition are: **Mary Auble '26**, Illustration; **Alanna Botscharow '26**, Illustration; **Julia Burns '26**, Illustration; **Shontae Dashiell '26**, Illustration; **Jossalyn Dolin '26**, Illustration; **Morgan Earley '26**, Illustration; **Madi Edmiston '26**, Illustration; **Finn Jones '26**, Illustration; **Jamie Little '26**, Illustration; **Gelian Mesa '25**, Illustration; **Ava Morgan '26**, Illustration; **Sophia Replogle '26**, Illustration; **Logan Vedral '26**, Illustration; **Sierra Weidman '26**, Illustration; and **Julia Wychryst '26**, Illustration.

SuperHero Project Exhibition on 2nd floor

The SuperHero Project Exhibition celebrates the collaboration between PCA&D student interns and the SuperHero Project, a nonprofit dedicated to empowering children facing serious illnesses and disabilities through custom artwork. As part of their internships, students created Power Posters — bold, inspiring designs that reflect the unique strengths and personalities of these young heroes. Through their creativity, they transformed real stories into impactful visuals, bringing joy and confidence to children and their families. Check it out in the 2nd-floor Gallery.

Students whose work is on display include **Endia Clark '26**, AGA; **Sandy Farrare '25**, AGA; **Onix Guadalupe-Rivera '25**, Illustration; **Abby Howe '26**, AGA; **Connie Saunders '26**, AGA; **Samantha Sidesinger '25**, AGA; **Aaron Vankirk '26**, Illustration; and **Bryana Walker '26**, Illustration.

Hanging student artwork? Let us know!

We love to celebrate everyone's creativity on campus -- and we want to make sure everyone has a chance to see new work that's being hung on our walls, too! The next time you're putting student work on display -- from a full-blown exhibition to work from a class assignment -- please reach out to communications@pcad.edu so we can share the exhibition campus-wide. Thanks!
