Now in the Main Gallery: Exploring the works of 7 Faculty Life Grant recipients

Pennsylvania College of Art & Design features a Main Gallery exhibition highlighting PCA&D's commitment to educating not only our students but also our faculty in the pursuit of lifelong learning and professional development. The seven exhibiting artists have received grants from the College to attend residencies or courses where work was produced or new skills and techniques were learned. The artwork on view is a result of those experiences, either created at the time or through applying what they learned to new work.

Art Recess for Adults is a Hillside collaboration

May's Art Recess for Adults, sponsored by the College's Center for Creative Exploration, is a collaboration with Hillside Place Studio. Founded by artist and educator Stephanie Deininger, Hillside is centered on investigating the connections between the creative arts and therapeutic benefits in the context of wellness/well-being. This month, Art Recess for Adults explores a "sense of place" as the theme for reflection and mindfulness. Dive into abstraction and collage techniques to create work and think about how and why we travel and what landscapes can represent for us as we take a mini holiday. See you May 14, from 4:30-6:30 pm, at Zoetropolis, 112 N. Water St. Suggested \$2 donation.

Hear of gig work, part-time or full-time jobs for students and alumni? Let Career Services know

Help fill our Student Portal Job Boards with opportunities for our students and alumni. They can range from gig work to part-time, and even some full-time jobs.

There is a high demand for work opportunities among our student body in both the creative and non-creative sectors.

If you hear of any great opportunities, please pass them along to the Career Services Team at CareerServices@pcad.edu so we can connect our students to employment opportunities.
