## Free People: Temporary Color Designer

Free People is seeking a Temporary Color Designer to join the Color Department and provide support for approximately 4 months beginning in July. Collaborate closely with the Color & Textile Design Director to support palette development, category scheduling, color assorting, and lab dip approvals while working with Design, Buying, and Vendors. Perfect if you're organized and color-obsessed. More information and apply [here](#).

---

## Apple Bomb Games: Remote temp work

Apple Bomb Games is hiring a fully remote, contact-based 3D artist and animator who can model, rig, and animate low-poly-cartoony characters that have personality, charm, and a sense of slapstick fun. Think exaggerated motion, big silhouettes, and rough edges; you'll be creating characters and animations. For generic characters, you may just adjust pre-purchased animation packs. Estimated at about 2 months of part-time work, flexible hours, for \$3,500. Must be proficient in tools like Blender, Maya, and Unreal Engine. More information and apply [here](#).

---

## Berry Bite: Remote temp work for indie studio

Berry Bite, a small indie study making Humblets, a cozy game set in a fantasy world, is looking for concept artists (character or environment) to join on a short-term contract. Create concept designs for environments, buildings, props, or characters, animals, and more. Illustrate a few polished concepts that can be used as promotional material for social media, etc., and work from references while also contributing your own ideas that capture a bubbly, cozy, fantasy tone. Full-time for about 2 months, fully remote. More information and apply [here](#).

## Hiring: 3D character modeler for game

Giant Sparrow is looking for a 3D character modeler to help create and rig a variety of creatures for its next game, which is all about interactions between humans and animals, both real and fantastical. Skills needed: Modeling with ZBrush and Maya (or Blender), texturing, basic skinning and rigging, and experience importing assets into Unreal. This is an ongoing freelance, remote position, with roughly 1-2 new characters per month for the next year. More information and application [here](#).

---

## Needed: 2D Art Generalist for game universe

Elsewhere indie studio is hiring a contract 2D Art Generalist to create art for projects in its game universe. Work will vary week to week depending on the team's needs; contribute to concept art (including drawing and illustration) for a new project.

Qualifications: you've made a game and can point to specific art you owned from concept to completion in your portfolio, and you're experienced with tools like Photoshop, Procreate, and Illustrator -- bonus if you've worked with Figma or 3D tools like Blender. More information and application link [here](#).

---

## Tabi Entertainment hiring artist/ animator

Tabi Entertainment is hiring an experienced artist to help its game reach its goals and elevate the artistic vision of its world and story, responsible for majority of 2D animation for characters, creatures, BG, and UI. Open to animation-artist hybrid, but primary focus will be on animations. Leaning toward bone animations with a few important parts as key-framed animations. Preferred: familiarity with Unity and its quirks. More information and application [here](#).
