

ART&DESIGN

opportunities & support

FRIDAY MAY 16, 2025

What's out there for you?

Learn about available professional development and College community opportunities.

If you have a job opportunity, call for art, or a professional development announcement you'd like to share, please email the Communications Department.

An important reminder from Career Services

Before signing up for an internship, YOU MUST CHECK with your Department Chair or Career Services to make sure the experience will be approved for internship credit!

Call for artists: Lancaster County Art Association

The Lancaster County Art Association is putting out a call for artists and craftspeople to participate in its juried indoor Lancaster County Fine Art & Craft Show Oct. 11 at the Solanco Fairgrounds in Quarryville, southern Lancaster County. Mediums include oil, acrylic, watercolor, pastel, gouache, tempera, encaustic, mixed media, drawing, printmaking, photography, and digital, along with 3D. Two artists may share a booth. For information, including fees and prizes, [click here](#). For other details, contact Event Chair Carol Herr, lcaanews@yahoo.com or visit lcaaonline.org.

Tellus360 seeks artists for installation program

Tellus360, in Lancaster, seeks creatives interested in displaying their art to be featured in their space through their Artist Installation Program. Reach out to Bill at bills@tellus360.com.

Remote data visualization internship

The Strategic National Arts Alumni Project (SNAAP) is hiring for a remote Data Visualization and Research Communications intern, part time, for 12 weeks this summer at 15-20 hours a week (\$16/hour). Support creation of materials that communicate key insights from SNAAP's national survey of arts alumni. Ideal for students interested in data storytelling, research, and the role of the arts in higher education and the workforce. Start date June 1. Experience with Excel, Tableau, and at least one of the following: R or Stata. Ability to interpret quantitative data and present it clearly for non-technical audiences. To apply, send a resume/CV, cover letter, and contact info for two academic/professional references to info@snaaparts.org **by May 22**. Learn more about the organization at snaaparts.org.

Superhero raffle for art-related prizes

An online raffle is now going on through June 8 to raise funds for The Superhero Project, with art-related prizes such as a Sketchboard iPad Pro Board, a visual classroom visit, a 3-month Silver Drawing Academy with Stephen Silver, and more. For more information and to participate, [go here](#).

Artwork, writing welcome in nature publication

Humans & Nature Press Digital will open its submissions portal June 24 (deadline July 15) for creative work that explores and promotes human responsibilities in relation to the whole community of life. Artwork and writings on the theme of seeds as the offspring/wellspring of the plants as well as metaphors for resilient reimagining and active adaptation. Artwork, poetry, and artwork all are welcome. Guidelines and more rules [can be found here](#), as well as the portal once submissions are open.

Women's History Museum hiring remote intern

The National Women's History Museum is hiring a fully remote, 20-hours-a-week intern to assist with educational programming for diverse audiences, including K-12 students and young adults. Create digital resources, support virtual programs, assist with live or asynchronous activities, conduct research to support program design, accuracy, and audience engagement strategies, and participate in planning meetings and program evaluations. Should be a current or upper-level undergraduate student or graduate student, have strong interest in women's and gender history, and proficiency in Microsoft Office as well as familiarity with Zoom, Google Drive, and Canva. Stipend: \$2,000 a month for nine months, beginning in September. More details and directions on how to apply [here](#).

Lancaster Science Factory art camp instructors

Lancaster Science Factory is hiring paid instructors in several arts-related camps this summer:

- June 16-20, 1-4 pm: Science is Art -- Campers will explore how to use science to create mixed media art. Projects will include salt watercolor, acrylic painting, color theory, and more.
- June 30-July 3, 1-4 pm: Cardboard Creations -- Campers will flex their creativity and design skills as they make moving and interactive puppets, miniature golf courses, and more.
- July 14-18, 9 am to noon: Art in the Galaxy -- Campers will complete acrylic on canvas paintings depicting space scenes.
- Aug. 11-16: Artist Studio -- Campers who have participated in one of the art camps will dive deeper into painting techniques, from original design and sketch to finished product.

For more information and to apply, contact Amanda Bakay at abakay@tlsf.org.

Jim Henson Feature Films internship

The California-based Jim Henson Feature Films department is seeking interns who are passionate about film development and production. Interns will support the team in the creative development of live-action and animated movies by providing coverage of scripts, books, and other materials, and collaborating on special assignments. This is an unpaid internship open only to current students who will receive academic credit for participation and must have in-person availability 2-3 days a week. To apply, submit a one-page resume, cover letter, and a coverage or writing sample showcasing analytical skills, to the email CreativeInternships@henson.com with the subject line "Feature Films Internship // Your Name."

LAIKA films hiring a variety of positions

LAIKA, the Oregon-based film company responsible for films such as "Coraline", is hiring for a variety of positions, such as CG rigger, FX Pipeline TD, and more. For a full listing of open positions, details on those positions, and links to apply, [go here](#).

Too Faced cosmetics: art contest

To celebrate the debut of Ribbon Lashed Mascara, Too Faced cosmetics company invites you to create and share a work of art that embodies a Wrapped Masterpiece.

The contest is open through June 20. One winner will receive \$10,00 and the

opportunity to feature their artwork on the Too Faced website, social media, and other digital and print publications. For official contest rules and entry link, go [here](#).

SPLAT Family Art Studio: tourism marketing

SPLAT Family Art Studio is hiring someone with a strong understanding of tourism marketing and best practices to help reach a portion of the 3 million visitors who come to Hershey each year. Experience in: digital marketing, social media, and content creation, with communication, interpersonal, and organizational skills. Create content for channels including blogs, social media, and email newsletters, with knowledge in content marketing strategies and proficiency in content management systems. Check out SPLAT's website and social media links [here](#), [here](#), and [here](#). Send resume, cover letter, and portfolio to Meghan Walter at info@splatfamilyart.com.

Real estate company hiring painters

AVE by Korman Communities is hiring painters responsible for painting apartments during the turnover process. Minimum 1-2 years of painting experience, and strong customer service skills. \$17-\$20/hour. More information and apply [here](#).

Lancaster Science Factory hiring technician

Lancaster Science Factory, a hands-on, interactive science center, is hiring a seasonal Exhibits & Facilities Technician to help maintain exhibits, promote audience engagement, and maintain facilities. \$16-\$18/hour. Be able to work safely and independently with hand tools, power tools, and standard workroom equipment. Projects may require carpentry, painting, mechanical, and electrical skills. More information and apply [here](#).

Opportunities for summer theater employment

Looking for summer theater employment and experience? Summer stock theaters and summer theater festivals are excellent resume builders. [Go here](#) for region-by-region, state-by-state listings of opportunities in summer theater employment.

Indie animated fest seeking short films

If you enjoy experiencing indie animated content, meeting local artists, and winning prizes, the Short Short Fest may be for you. The touring festival is being held in two

locations this summer, including Aug. 2 in Prospect Park, PA, near Philadelphia. And, if you're a creator, you can submit your film (must be animated and be 5 minutes or less, any style or genre, and no age requirements!). For more information, go [here](#).

Needed: 2D Art Generalist for game universe

Elsewhere indie studio is hiring a contract 2D Art Generalist to create art for projects in its game universe. Work will vary week to week depending on the team's needs; contribute to concept art (including drawing and illustration) for a new project. Qualifications: you've made a game and can point to specific art you owned from concept to completion in your portfolio, and you're experienced with tools like Photoshop, Procreate, and Illustrator -- bonus if you've worked with Figma or 3D tools like Blender. More information and application link [here](#).
