PCA&D's Art Garden is once again a site for a piano this summer, part of Music for Everyone's Keys for the City! This year's brilliant blue instrument, right at the corner of Prince and Chestnut streets, is extra-special this year for the college, since it's the work of alumna Danica Egan '15, Fine Art! The piano is available 24/7 all summer long.

The works are a formalist exploration into the juxtaposition of processes that merge from saturation and folding of paper and intuitive mark making. These various methods work together to create subtle works that reflect moments of time captured in a multitude of ways.

How we share news with your student

We encourage you to ask your student if they are checking their email and the College's social media accounts to stay updated:

- The [College Instagram account at @pcad_edu](#) shares announcements and reminders.
- The [College Facebook account](#) does the same.
- Early each Monday morning, year-round, *This Week at PCA&D* lands in your student's College email Inbox. This newsletter brings students up to date on what will be going on around campus and Lancaster that coming week. Gallery events, speakers, clubs, and more are all here.
- Every Friday, our *Student Opportunities* newsletter goes out via College email. This newsletter contains art-related internship, job, and volunteer opportunities both on campus and off.

PCA&D uses a mix of all of these resources to keep our whole campus community up to date. And, of course, there's this monthly newsletter aimed at families, which joins monthly communications to alumni and our community of supporters.
