Class of 2025: email, Google Drive, Adobe info

Class of 2025 -- now that you're alumni, there are some important changes coming to your email, your Google Drive storage, and your Adobe Creative Cloud: **These changes will take place on July 1.**

- Your PCA&D email address will be updated from "last name 4 digits" to a "first name, last name" format (for example, doe1811@pcad.edu to janedoe!@pcad.edu). **This will also be your new email login for PCA&D!**
- Your pcad.edu alumni account will remain active for another 2 years (730 days). After that, your account may be subject to deletion after 2 years (730 days) of inactivity.
- Your Google Drive storage quota will be reduced to 15 GB. Please check your Drive to ensure you don't have files larger than that limit as they will be deleted on

- July 1.
- Adobe Creative Cloud access will be disabled. However, you can migrate your Adobe content from your school account to a personal one using the following link: <https://graduation/adobe.com/>. Please note that this must be done ASAP before losing access on July 1! Microsoft 365 access will remain active as long as your account stays actively in use.
 - If you have any trouble with this process, please reach out to it@pcad.edu.

Now: Main Gallery exhibition

The seven exhibiting artists have received grants from the College to attend residencies or courses where work was produced or new skills and techniques were learned. The artwork on view is a result of those experiences, either created at the time or through applying what they learned to new work.
