Artist

EDUCATION:

Anticipated 2025: Bachelor of Fine Arts in Animation and Game Art, certificate in Art History, Pennsylvania College of Art & Design, Lancaster, PA

WORK EXPERIENCE:

Student Ambassador (2022-present)

Pennsylvania College of Art & Design, Lancaster, PA

- Member of PCA&D's student ambassador team. Tasks include event setup/organization, data entry, guided tours, greeting and engaging with current and potential students and clients, and marketing design work.

Gallery Assistant (2022-present):

Pennsylvania College of Art & Design, Lancaster, PA

- Gallery assistant with PCA&D's art exhibitions team. Tasks include event setup/organization, assisting with curation, artwork installation, and transportation of artwork. Gallery maintenance includes frequent measuring, cutting, nailing, hanging, drilling, and moving works between storage and exhibition floors.

Writing Center Transcript and Note Taker (2022):

Pennsylvania College of Art & Design, Lancaster, PA

- Provided live transcripts for the PCA&D Writing Center archive. (Pennsylvania College of Art & Design)

Tutoring (2021):

- Private tutoring experience ranging from elementary to college level education. specializing in proofreading, editing, writing, and mathematics (arithmetic, algebra, geometry/trigonometry, calculus)

Subcontracting (2018-2020):

- Private commission. I worked closely with the client and my supervisor to put up drywall, assist with wiring, cutting, painting, and installing furniture, flooring and moldings, as well as transporting materials between worksites.

Project Assistant (2018-2019):

Culliton Park, Lancaster, PA

- Aided in the award-winning Art Pop mural project at Culliton Park through Lancaster City Public Art. I worked closely with lead artists to facilitate community engagement, as well as transport materials, paint, create original artwork for community art days, and install artwork.
