SKILLS

Creativity
Critical Thinking
Eagerness to improve
Persistence
Collaboration

I am a Graphic Designer looking to push my skills to the limit with full time, professional graphic design work. With almost a decade of experience using adobe products, countless projects under my belt and a steadfast dedication to high quality work, I promise that my skills will be an invaluable asset to your organization.

EDUCATION

Pennsylvania College of Art and Design
BFA in Graphic Design 2025

WORK EXPERIENCE

Summer 2024: PCAD Agency Internship

Worked among other designers creating industry level work for local lancaster nonprofits.

2020-Present: Martin's/Giant Center Store Associate

Worked consistently for Martins/Giant for 5 years, interacting with customers every day and managing several tasks at once.
