## Professional Summary

Passionate and skilled 2D artist and animator with experience in Storyboard Pro, Adobe Suite and Toon Boom Harmony. I also have experience in 3D modeling, texturing, rigging, and animation for games and digital media. Proficient in industry-standard software such as Maya, ZBrush, and Unreal Engine. Adept at creating high-quality assets, animatics, and character animations. Strong storytelling abilities combined with technical expertise in digital art tools.

## Education

**Pennsylvania College of Art & Design - Lancaster, PA**

*Bachelor of Fine Arts in Animation & Game Art | Expected Graduation: 2026*

## Relevant Coursework

### Skills

- **3D Modeling & Texturing:** Maya, ZBrush, Substance Painter
